Let Herbert's passion in fulfilling his career in marketing open your mind to what can be achieved by being a good communicator.

When 8, Herbert won his first marketing award for Johnsons Baby Powder. Now after 35 years he has helped hundreds of businesses in Australia and internationally double their sales at low cost.

Herbert will tell how the most successful marketing of all time can still work today. Whether it be a business to market or good news to spread, inspiration is vital.

Speaking of himself, Herbert will challenge us to get up and see new ways to focus.
