The life experiences of Noel illustrate a great mystery:- that we really can never know what dramatic changes can come about in a man through a good choice of a wife; no doubt the woman also choosing the man.

Born into a rural dairy farming life, for a time playing rugby league at top country level, Noel for the past 10 years is running his own cattle farm close to Cooma and doing other community work.

Enjoy a good Breakfast and hear Noel's story - all welcome.
