Brad, like most men we know from Texas USA thinks big and has plenty of "go".

Just look where his climbing spirit has taken him: up active volcanoes, to the base camp of Mt Everest, camping on the Great Wall of China. He says he looks upon all his living as an adventure especially when it is about sharing the Christian knowledge of God's purpose to people in every land.

But an Australian girl captured his heart so he married her and it settled him down a little after a three-year stint in Mexico. He is now come to Cooma working with the Baptist Church. Come and meet Brad as he shares the adventures of his life.
