Brett had an upbringing on a beautiful Merino wool harvesting farm. That grew into a 20 year working career in Landcare and catchment management for which he is well suited.

But something got into Brett that led him to let his young family experience living in a SE Asian countryside.

Now he sees God's latest plans are for him to visit Greece so he can be part of a team to offer a way out for those young women trapped in the Red Light District of Athens. Hear his story.
