Once a year we have the popular idea to invite women. Both Martin (via brother Gary) & Robyn (via Monaro High 1966-70) have strong links to Cooma.

Today they have a very successful Christian Conference Centre at Fitzroy Falls. It also gives camping experience to kids in need. For over 33y it has had thousands who have passed through the 160 bed glorious scenic facility.

Martin is a Director of Hotondo Homes Southern Highlands. He built his first spec home in Kingswood when he was only 19y and this launched his creative building career. He married Robyn in 1973 for a unity they saw in each other's passion for life to be creative and to be full. Indeed it is. Come and hear them speak.
